A Magical Setting For An Intimate Wedding & Solemnization

Saying “I do” to the man of your dreams is a much-anticipated moment for all brides.

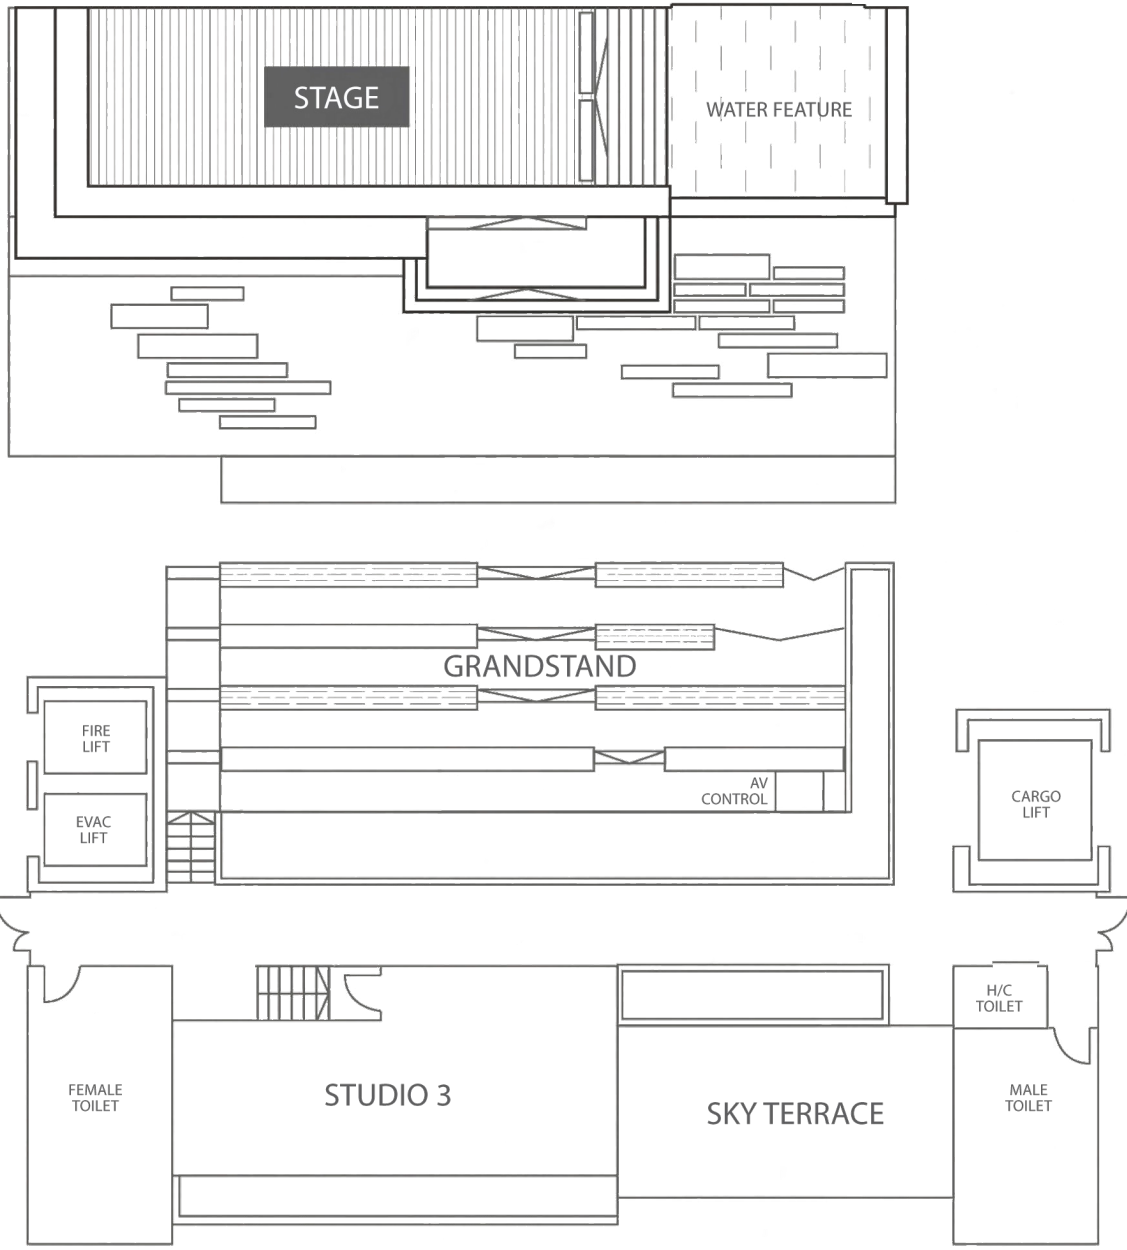

For some, they’ve been envisioning (and planning!) their wedding since they were little girls, and the perfect venue in which to exchange their vows becomes all the more important in bringing their vision to life.

One of its kind, Gateway Theatre's Sky Garden is a unique green space in the middle of the Bukit Merah heartland that is landscaped with manicured lawns, a water feature and an outdoor stage.

This green refuge can be transformed into a unique event space for your wedding and solemnization.
